User Guide

AC TRANSIT
EasyPass

Get Going • Start Saving

Congrats! You have an EasyPass!

San Francisco Bay University (SFBU) and AC Transit are pleased to offer you the EasyPass. Your Pass provides unlimited travel on all AC Transit service—both local and transbay. It's a great way to get to and from campus and around much of the Bay Area. Please keep this Guide for future reference.

Using Your Pass

Your EasyPass is on a Clipper® fare card. Don't forget to contact Clipper Customer Services, (877) 878-8883 or clippercard.com, to [register your Card prior to first use](#).* Each time you board AC Transit, simply "tag" your Card on the Clipper card reader. The "beep" indicates the reader has recognized your Pass.

* Register your Card to protect funds or products added onto your EasyPass; value on unregistered cards cannot be reimbursed if your Card is lost or stolen.

Three beeps indicate your Card has been misread by the reader. Try again. If the Card still doesn't work, it might be damaged or defective (see the "Help with Your Card" section of this Guide).

Pass Validity

If you are enrolled as a full-time student of SFBU, your Pass will be valid and will automatically renew each semester (one week before until one week after the start of the Summer, Fall, and Spring semesters) as long as SFBU offers the program. SFBU students can ride the bus all year long with their EasyPass Clipper card.

If you are no longer eligible for an EasyPass, you can still use your Clipper card—just add value or other fare media. The Pass will be deactivated from your card, however.

Help with Your Card

Replacing a lost, stolen, damaged, or defective EasyPass

If your Card has been lost, stolen, or is damaged or defective, call Clipper to deactivate your old Card and to request a replacement EasyPass. Tell Clipper that you are an institutional pass participant in the San Francisco Bay University (SFBU) EasyPass program.

Clipper Customer Services

(877) 878-8883 or clippercard.com

Clipper charges a \$5 Balance Transfer Fee (payable to Clipper) before a new Card can be issued. Provide your mailing address and Clipper will mail your replacement Card directly to you. A Clipper card with only an EasyPass loaded on to it, will take about seven business days to replace.

Replacing EasyPass Cards loaded with cash or other agency products or funds**

Call Clipper to deactivate your old Card and request a replacement Card. Pay the \$5 Balance Transfer Fee. Ask Clipper to transfer any passes and value from your old Card to the new EasyPass.

Keep in mind that it may take up to fourteen business days to get your replacement Card with other agency fare added. Contact your EasyPass Site Coordinator in Room 127 at 161 Mission Falls Lane to receive temporary AC Transit tickets to use if you haven’t received your new Card within fourteen business days. There aren’t any refunds for fares that you pay while waiting for your replacement Card to arrive.

To protect card balances, always register your Card with Clipper. You can manage your Clipper Card account from your phone with the Clipper app;

*** Product fares from other transit agencies (not AC Transit), such as BART’s High-Value Discount Ticket, a Muni, WestCat or VTA Pass that can be loaded onto Clipper cards.*

however, your plastic EasyPass Card will be deactivated if you decide to convert your Clipper EasyPass to the mobile phone app’s contactless payment system.

Navigating our vibrant East Bay communities is easy, convenient and reliable with AC Transit’s mobile phone app, ACT Official. Download at actransit.org/app to access real-time arrival predictions, trip planning tools and customer service.

About Clipper

Clipper is the all-in-one transit card for the Bay Area. You can add any combination of cash value, monthly passes or commute vouchers to your EasyPass Card to access Bay Area transit. Simply tag your Card on the Clipper card reader and ride. Clipper will determine the best way to pay the fare based on the transit mode you’re on and the available fare products on your Card.

While you’ll want to use EasyPass whenever you ride AC Transit, your EasyPass Clipper Card only loads adult, full-fare value for other transit agencies. If you are eligible for discounted fare (senior, person with a disability, or youth) and want to use these discounts with other transit agencies, you’ll need to add value on a discount-eligible Clipper card instead of your EasyPass Card. Get your discount Clipper card by contacting Clipper.

[Register your Card](https://clippercard.com) at clippercard.com to keep your balances safe. Add passes or value at a Clipper retailer or BART station. To quickly get a list of Clipper retail vendors, visit actransit.org/clipper.

AC Transit EasyPass Rules

Your Pass allows you to ride on any AC Transit service—local or transbay. However, there are a few rules:

- The Pass is valid only for the person identified on your Clipper Card. Do not sell or share your Pass.
- The Pass is not transferable or refundable, and will be revoked if used by anyone else.
- The Pass must be validated for each trip by tagging the card reader each time you board the bus.
- Your Card must be presented to AC Transit personnel for inspection upon request. AC Transit personnel have the right to confiscate your Clipper Card if they feel the Pass is being used fraudulently.
- A fine of up to \$250 (and/or community service) can be imposed for the misuse of your Pass with the intent to evade the payment of fares (California Penal Code 640).
